My Road Safety Promise

I will stop, look, listen and hold a grown-up's hand near roads.

Created by
Reena Rani Dehuri

Welcome,
Little Road Safety Hero!
Hello, little explorer!
Every day, we see roads, cars, buses, bicycles and traffic lights.
But do you know how to stay safe near a road?
Come along! We will learn the colours of traffic lights, discover road signs and practise safe habits.
Are you ready? Let's go!
SCHOOL BUS

Read Together, Learn Together

1 Read

Read one or two pages together.

2 Talk

Ask: What do you notice? What should we do?

3 Play

Use toy cars indoors. Never practise in real traffic.

4 Remember

Vehicle lights guide drivers. Children cross with a trusted grown-up, using pedestrian signals where provided.

India-focused introduction.
Follow local signs and traffic police directions.

Lights • Arrows • Flashing signals • Vehicle lights • Activities

Meet the Traffic Light!

Look! A traffic light!
It has three beautiful colours.

RED
Means STOP!

YELLOW
Means SLOW DOWN and get ready to stop!

GREEN
Means GO when it is safe!

Can you name all three colours?

Red Means STOP!

Red light, red light,
what do you say?
STOP! STOP!
Wait today!

When the traffic light turns red, vehicles must stop before the stop line.

STOP

Little Hero Challenge:

Find something **RED** around you!

Yellow Means Stop If Safe

Yellow is also called amber.

For drivers: stop before the stop line if you can stop safely.

Do not speed up to beat the light.

If stopping suddenly would be unsafe, continue carefully.

Children keep waiting safely with a grown-up.

Yellow is not your signal to cross.

Green Means Go When Safe!

For drivers, **green** means go only when the way is clear.
Give way to people crossing.

A **green VEHICLE** light does not tell children to cross.

Children wait with a trusted grown-up and use the **pedestrian signal** where provided.

Does a green vehicle light mean children can run across?

No. Wait and check with your grown-up.

Let's Remember!

RED -
Stop before the stop line.

YELLOW -
Stop if you can do so safely.

GREEN -
Go only when the way is clear.

Vehicle lights guide drivers.

Children cross with a grown-up, following pedestrian signals where provided.

Arrows Show the Way

Some traffic signals use arrows.
An arrow shows the direction controlled by that signal.

LEFT

STRAIGHT

RIGHT

Drivers follow their own lane's signal and check the way is clear.

Children stay beside a trusted grown-up.

Red Arrow: Wait!

A red arrow means drivers must not go in that direction.

Wait for the correct signal.

Can the car turn right now?

No. The red arrow says wait.

Green Arrow: Check, Then Go

Drivers may go in the arrow's direction when the way is clear.

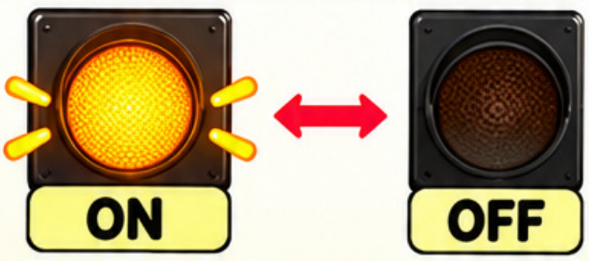
Give way to people crossing.

Point to LEFT.

Point to RIGHT.

A green vehicle arrow is not a signal for children to cross.

Flashing Amber: Be Careful



Flashing means **blinking** on and off.

Drivers slow down, look carefully and give way when needed.

It does not mean hurry!

What does flashing mean?

Blinking on and off.

Flashing Red: Stop First

At a road junction, drivers **stop completely first.**

Then they **give way** and move only when it is safe.

At railway crossings,

stay stopped while red lights flash.
Never go around a barrier.

Blink, Blink!
Turning Lights

Turning left

Turning right

A blinking amber indicator tells us a driver plans to turn.

An indicator is a clue, **not a promise.**

Wait with a grown-up. Check that vehicles have stopped before crossing.

Red Brake Lights

Brake lights glow red when a driver presses the brake pedal.

The vehicle may be slowing down or stopping.

Stay back. Never walk close behind a vehicle.

What colour are brake lights?

RED

Hazard Lights: A Warning

Hazard lights flash on **both sides together.**

They warn other road users of a **hazard.**

They do not mean it is **safe to cross.**

Stay away and let a grown-up help.

Our Walk to the Park

Where are the children waiting?

We Cross Together

Our pedestrian signal shows **WALK.**

We check that traffic has **stopped.**

We hold hands and walk across.
We keep **watching.**

Walking feet, watching eyes!

Never run across.
Stay with your grown-up.

Match the Signal Colours

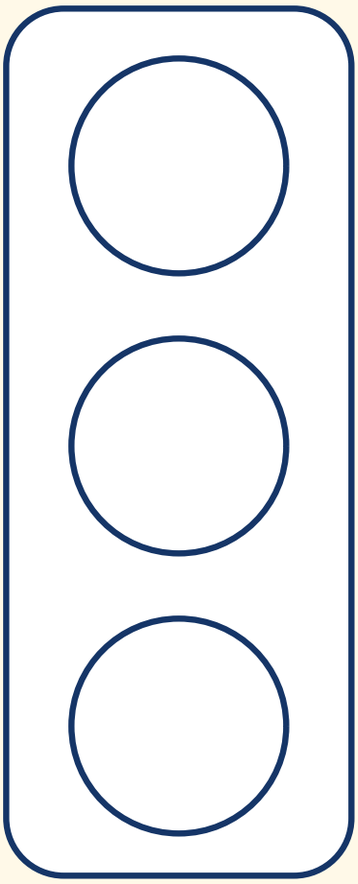
Draw a line from each colour to its message.

Red	Go when clear
Yellow	Stop
Green	Stop if safe

These messages are for drivers. Tell your grown-up why.

Top, Middle, Bottom

Write the colour names. Then colour the three blank lamps.



TOP

_____

MIDDLE

_____

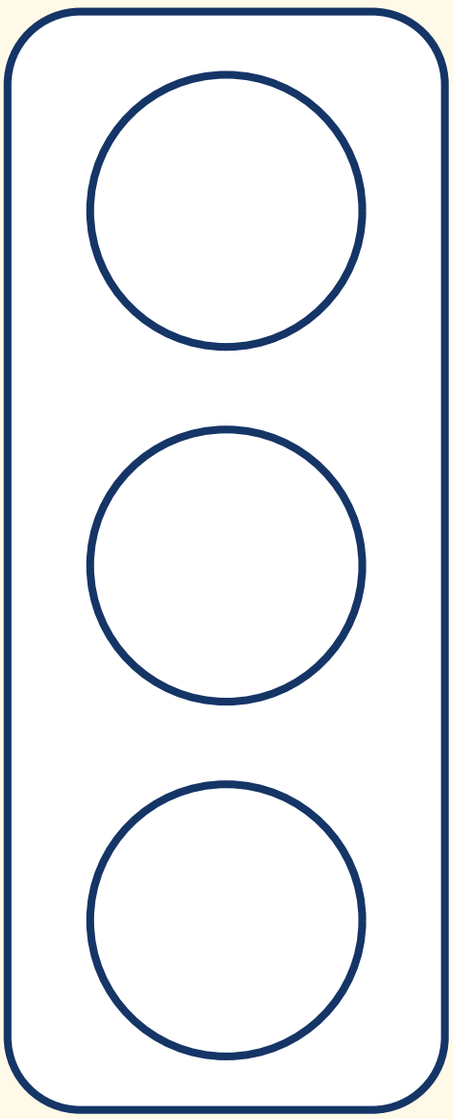
BOTTOM

_____

Word bank: GREEN / RED / YELLOW

My Colourful Traffic Light

Colour the lamps: red at the top, yellow in the middle, green at the bottom.



Point to the lamp that tells drivers to stop.

What Should the Driver Do?

Circle the safer answer in each row.

1. The vehicle light is RED.

STOP / HURRY

2. The vehicle light is YELLOW.

STOP IF SAFE / SPEED UP

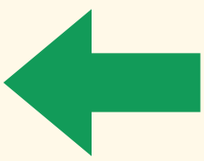
3. The vehicle light is GREEN.

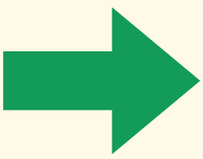
CHECK, THEN GO / CLOSE EYES

Bonus: does a green vehicle light tell children to cross?

Follow the Arrow

Draw lines to match each arrow to the correct word.





RIGHT

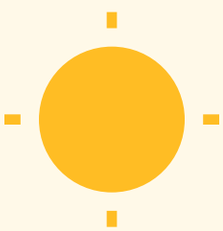
LEFT

STRAIGHT

A green arrow lets drivers go that way only when it is safe.

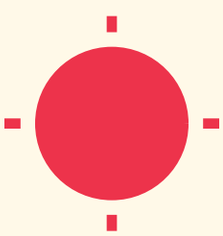
Blinking Lights Detective

At a road junction, match the flashing light to its message.



Flashing amber

Stop completely first.



Flashing red

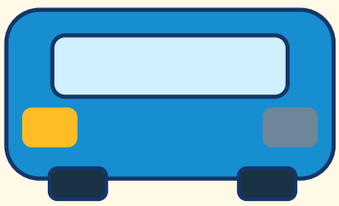
Be careful. Slow down.

Railway reminder: stay stopped while red lights flash. Never go around a barrier.

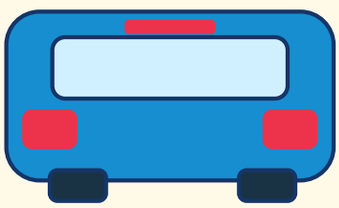
Flashing means blinking on and off. Never rush.

Which Vehicle Light?

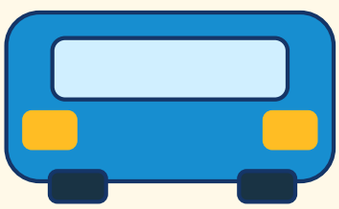
Match each rear-view car to its light name.



Brake lights



Hazard lights



Turning indicator

Two amber lights blinking together warn of a hazard.

Safe or Unsafe?

Circle SAFE or UNSAFE. Talk about your answer.

1. Holding a trusted grown-up's hand near the road.

SAFE / UNSAFE

2. Running across because a car has a green light.

SAFE / UNSAFE

3. Waiting on the pavement before crossing.

SAFE / UNSAFE

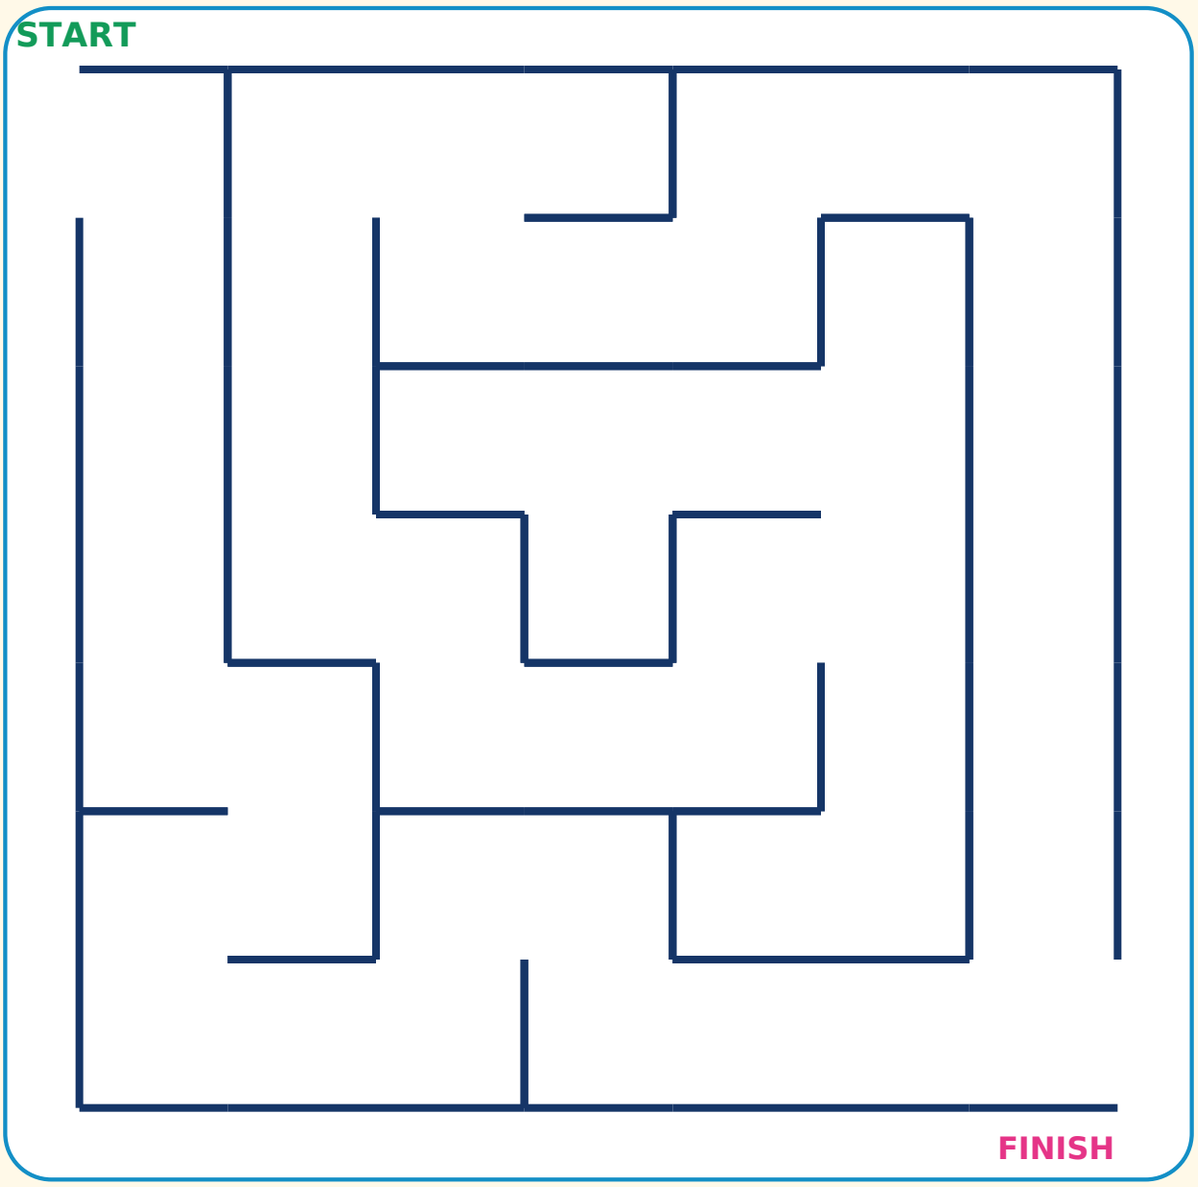
4. Playing with toy cars in a safe indoor space.

SAFE / UNSAFE

Make a habit: stop, look, listen and stay with your grown-up.

Toy Car Maze

Trace a route from START to FINISH. This is a pretend indoor game.



Real roads are not play areas. Keep your games somewhere safe.

My Signal Detective Quiz

1 A red vehicle light means:

- ○ Stop
- ○ Hurry

2 A green arrow tells drivers:

- ○ A direction
- ○ A colour to wear

3 Two amber vehicle lights flashing together are:

- ○ Hazard lights
- ○ Brake lights

4 Who holds your hand near a road?

- ○ A trusted grown-up
- ○ Nobody

Grown-up check: ✓

1 Stop; 2 A direction; 3 Hazard lights; 4 A trusted grown-up.

Grown-up Answer Guide

Talk through the answers together. Praise careful thinking.

20	Red - Stop; Yellow - Stop if safe; Green - Go when clear.
21-22	Top: red. Middle: yellow. Bottom: green.
23	Stop; Stop if safe; Check, then go. Bonus: no.
24	Left arrow - LEFT; up arrow - STRAIGHT; right arrow - RIGHT.
25	Flashing amber - be careful; flashing red - stop completely first at a road junction.
26	Top: turning indicator. Middle: brake lights. Bottom: hazard lights.
27	1 Safe; 2 Unsafe; 3 Safe; 4 Safe.
28	The maze has one continuous route from START to FINISH.
29	1 Stop; 2 A direction; 3 Hazard lights; 4 A trusted grown-up.
