My road safety adventure begins!

Welcome,
Little Road Safety Hero!
Road signs help people share the road safely. Let us discover their shapes, colours and messages— with a trusted grown-up.
Look. Learn. Stay safe.
STOP

A Note for Grown-Ups

Read one sign at a time.
Say its name,
explain its message,
and ask your child to point
to its shape.

Always supervise children
near roads.

Practise with toy roads
or picture cards.

Signs Tell Us What to Do

Some signs tell road users what they must do. Others show what is not allowed. Look at the whole sign: its shape, colour and symbol.

STOP

NO ENTRY

AHEAD ONLY

STOP
Drivers must come to a complete stop at a STOP sign. They move only when it is safe.
Spot the eight sides!
STOP

GIVE WAY

Drivers must let traffic on the other road go first. They slow down and stop if needed.

Can you find the upside-down triangle?

NO ENTRY
Vehicles must not enter from this direction.
Drivers must use a permitted route.
Find the white bar.

SPEED LIMIT

This sign shows a maximum of 30 kilometres per hour. Drivers may need to go slower to stay safe.

A limit is not a target.

NO PARKING

Drivers must not leave their vehicles parked here. They need to find a place where parking is allowed.
P
Parking means leaving a vehicle standing.

NO STOPPING

Drivers **must not stop or wait** here. They keep this space clear, except when traffic conditions or safety require a stop.

NO U-TURN

Drivers must not turn around to travel back in the opposite direction here.

Trace a **U** in the air.

NO LEFT TURN

Drivers must not turn left at this place. They follow a permitted route instead.
Point to the arrowhead.

NO RIGHT TURN
Drivers must not turn right at this place. They follow a permitted route instead.
Which way does this arrow point?

NO OVERTAKING

Drivers must not pass another moving vehicle here. They stay behind and keep a safe gap.

Patience helps everyone.

HORN PROHIBITED
Drivers must not sound their horn here.
Quiet helps people in places such as hospital silence zones.
Can you make a quiet wave?
HOSPITAL

PEDESTRIANS PROHIBITED
People must not walk along this restricted route.
Your grown-up helps you find a safe permitted path.
Choose a path meant for people.

CYCLES PROHIBITED

ONE WAY

Vehicles travel in the direction shown by the arrow.
One-way roads still need careful checking before anyone crosses.
ONE WAY
Children cross only with a grown-up.

AHEAD ONLY

Drivers must continue straight ahead. They must not turn left or right at this place.

Follow the arrow with your finger.

TURN LEFT
Drivers must turn left here, following the white arrow.
Blue circles can show required actions.

TURN RIGHT

Drivers must turn right here, following the white arrow.
Point to the right-pointing arrow.

Drivers must pass to the **left** of the traffic island or obstacle shown by this sign.

The arrow points **down** and **left.**

KEEP LEFT

CYCLE TRACK

This sign shows a track reserved for bicycles. Riders use the track and follow the signs for their route.
COMPULSORY CYCLE TRACK
Wear a helmet that fits.

Match the Sign

Draw lines to match each sign and message.

1		A. Go straight ahead
2		B. Maximum 30 km/h
3		C. Come to a complete stop
4		D. Do not enter

Choose the Safe Answer

Hello, little explorer!
Today we will learn some important road signs.
These signs help keep everyone safe on our roads.
Look at the signs, listen carefully and choose the safe answers below!

Ask a grown-up to read. Circle each safe answer.
